# About the Speaker:

## Qualifications and Memberships

Chester graduated with a Bachelor of Accountancy (First-Class Honours) from Nanyang Technological University of Singapore. He was placed on the Dean's List for three consecutive academic years. He completed the Advanced Tax Programme at the Tax Academy of Singapore and was awarded the Commissioner's Book Prize. He is a Chartered Accountant (Singapore) with the Institute of Singapore Chartered Accountants (ISCA) and an Accredited Tax Advisor (Income Tax) with the Singapore Institute of Accredited Tax Professionals.

## Profile

Chester has over 20 years of experience in providing cross-border income tax advisory, managing tax controversy and tax compliance and reporting.

Chester focuses on cross-border direct tax advisory and planning matters. He has extensive experience in areas such as intellectual property (IP) planning, legal entity rationalisation (LER), permanent establishment (PE) issues.

Chester has a diversified portfolio of clients covering a wide spectrum of industries including consumer products & retail, technology, transportation and logistics (including shipping).

Over the years, Chester has been assisting businesses in reviewing holding structures and operating models; managing tax residence issues; identifying and managing withholding tax issues and PE risks; and advising on IP strategies and migration, and tax efficient repatriation of profits and cross-border financing. He has also advised US, European and Asian multinational companies regarding the establishment of regional as well as global supply chain management structures in Singapore.

Chester regularly participates in EY's Global Think Tanks. He speaks regularly at conferences and seminars, both in Singapore and overseas. He facilitates various international tax training modules for the Tax Academy of Singapore.
